# Experiences

The screenshot shows the Rizal Library website interface. At the top, there is a navigation menu with links for Home, About, Guidelines, Research, Services, News, and Conference. Below the menu is a search bar with the text "What are you looking for?" and a search button. Underneath the search bar are several icons representing different services: Reading, Online Resources, Catalog, e-Resources, Journals, Tools, and Contact Us. The main content area is titled "Open Educational Resources (OER)" and lists several popular OER sites:

- College Open Textbooks
- GALEGO Open Learning Materials
- Lumen Learning
- MERLOT II
- MIT Open Courseware Online Textbooks
- OER Commons
- Open Education Consortium
- Open Learning Initiative

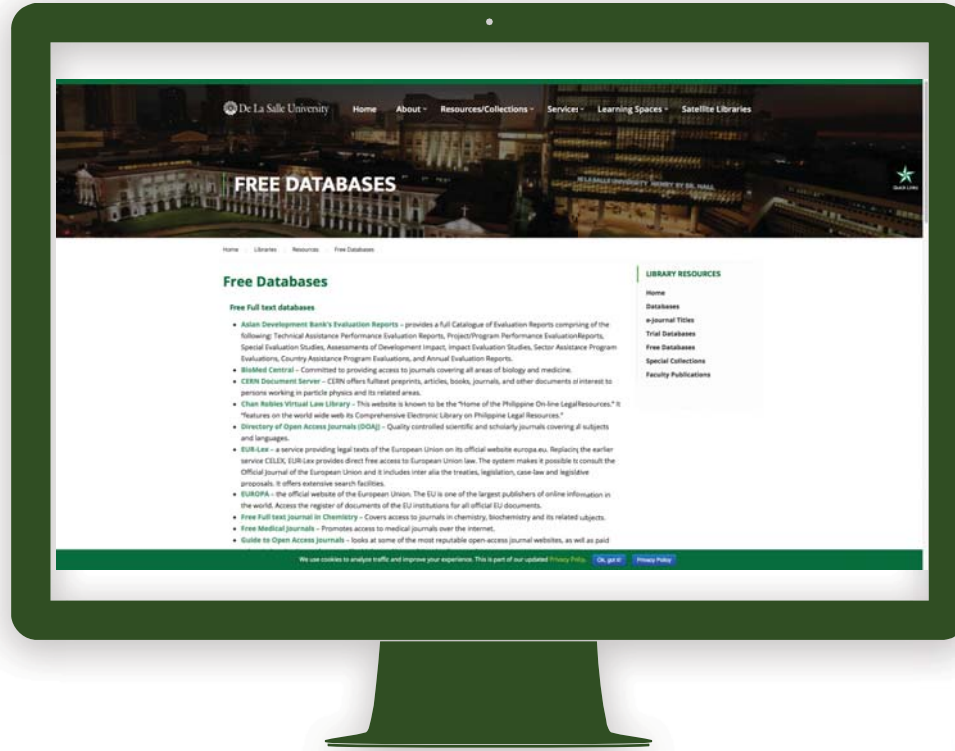

## Links to OERs at the Rizal Library website

The Rizal Library Assistant Director attended “Open Educational Resources for Universal Design for Learning” seminar-workshop on 23-24 March in Manila.

# Plans

- Online video tutorials for eResources
- MOOCs
- Dialogue with faculty on how the library can provide other educational resources (free and reusable contents) for their teaching needs
- The Office of the Associate Dean for Academic Affairs plans to create an Ateneo resource portal
