Panduan Akses Pangkalan Data dan Jurnal Elektronik Klaster Agrokompleks

**Janu Saptari
Endah Choiriyah**

Garis Besar Materi

- Pengantar
- Klaster Agrokompleks
- Pangkalan Data
 - Multidisiplin
 - Klaster Agrokompleks
- Akses Pangkalan Data
- Sumber-sumber Jurnal Terbuka

Pengantar

- Dalam rangka memenuhi kebutuhan informasi dan mendukung terwujudnya UGM menjadi universitas riset, Perpustakaan UGM telah melanggan pangkalan data dari berbagai disiplin ilmu
- Panduan ini memberikan informasi mengenai pangkalan data untuk Klaster Agro meliputi bidang biologi, kedokteran hewan, pertanian, perikanan, kehutanan
- Panduan ini diharapkan dapat membantu *civitas academica* di lingkungan Universitas Gadjah Mada dalam menemukan sumber-sumber informasi secara *online* dengan mudah

Klaster Agrokomples

Terdiri bidang :

- Biologi
- Kedokteran Hewan
- Kehutanan
- Pertanian
- Peternakan
- Teknologi Pertanian

Pangkalan Data Multidisiplin

Pangkalan Data Klaster Agro

Cab Direct

CAB Direct adalah pangkalan data ilmu terapan yang mencakup *The Animal Health & Production Compendium*, *Aquaculture Compendium*, *Crop Protection Compendium*, dan *Forestry Compendium*.

Tersedia lebih dari 11 juta abstrak *life science* terapan dan 200.000 *full text* artikel.

The screenshot shows the CAB Direct website with a green header. The logo 'cabdirect' is on the left, and the CABI logo with 'provided by www.cabi.org' is on the right. Navigation links include 'About CAB Direct', 'Tell us what you think', and 'Contact Us'. A sidebar on the left lists 'Subscription Information' (with a login for Gadjah Mada University), 'CABI Databases' (Animal Health and Production Compendium (AHPC), Aquaculture Compendium (AC), CAB ABSTRACTS, Crop Protection Compendium (CPC), Forestry Compendium (FC)), and 'Full Text from CABI' (CABI Full Text, Log Out). The main content area has a navigation bar (Home, Help, Thesaurus, Roaming Passport) and a heading 'Gateway to the world's applied life sciences'. It describes CAB Direct as a source of reference in applied life sciences, incorporating CAB Abstracts and Global Health. A search bar with the text 'enter search terms' and a green 'search' button is present. Below the search bar is a link 'Search (access key s) tch'. A teal announcement states 'May 2016: New CAB Direct Beta version now available for testing!'. A message to customers and users is followed by a link to 'www.cabdirect4.org'. Two orange boxes on the right provide 'About CAB Direct' statistics (11,448,816 records, last updated Jun 3 2016) and a 'Featured' section about the database.

Aquaculture Compendium

Aquaculture Compendium adalah ensiklopedi yang menyediakan informasi menyeluruh tentang aspek budidaya perairan, seperti hewan, tanaman produktif, keanekaragaman hayati, perdagangan, keamanan pangan, pengentasan kemiskinan, dan masih banyak lagi. Pangkalan data ini mencakup lebih dari 700 *datasheets*, 130 studi kasus, 80.000 data bibliografi, serta dilengkapi *interactive glossary* dengan 30.000 definisi.

The screenshot shows the Aquaculture Compendium website. At the top, there is a navigation bar with links: Other CABI sites, Home, Overview, About, Help, Contact, Mobile, and a Sign out button. The main header features the CABI logo and the text 'Aquaculture Compendium - The world's most comprehensive site for Aquaculture Information'. A user login box indicates the user is signed in as 'Gadjah Mada University' via IP Address. Below the header is a menu with links: Datasheets, Abstracts, Full Text, Library, Glossary, and More Resources. A search bar is present with the text 'Search Aquaculture Compendium' and a 'Smart searches' button. Below the search bar, a section titled 'Aquaculture Compendium smart searches are based on commonly researched topics, and your own requests' contains a 'Request a search' button. The main content area displays a grid of search topics organized into three columns:

Biology of cultured species - Behaviour	Culture technology - Harvesting strategies	Environment - Ecosystems: environment & impacts
Biology of cultured species - Environmental requirements	Culture technology - Integrated systems	Environment - Ecotourism
Biology of cultured species - Genetics	Culture technology - Post-harvest processing	Environment - Environmental impact assessment
Biology of cultured species - Geographical distribution	Culture technology - Production systems; growout management, stocking, design, engineering	Environment - Environmental legislation & regulation governing aquaculture
Biology of cultured species - Growth & metabolism	Culture technology - Resource requirements & allocation	Environment - Environmental management practice
Biology of cultured species - Invasiveness	Culture technology - Seed production & availability	Environment - Integrated resource management & coastal zone management
Biology of cultured species - Life cycle	Culture technology - Transport	Environment - Land & water use conflicts
Biology of cultured species - Population dynamics	Culture technology - Water quality	Environment - Watershed management
Biology of cultured species - Reproduction

Diseases, animal health and production	Genetics and breeding	Routine procedures and husbandry
Draught animals	Handling of animals, livestock transport, abattoirs & slaughter	
Drug resistance	Helminths	

Animal Health and Production Compendium adalah ensiklopedi yang menyediakan informasi tentang penyakit hewan, bakteri patogen, genetika, dan sebagainya.

AHPC menyediakan lebih dari 3.000 *datasheet*, gambar, serta *glossary* dengan lebih dari 30.000 definisi.

Crop Protection Compendium

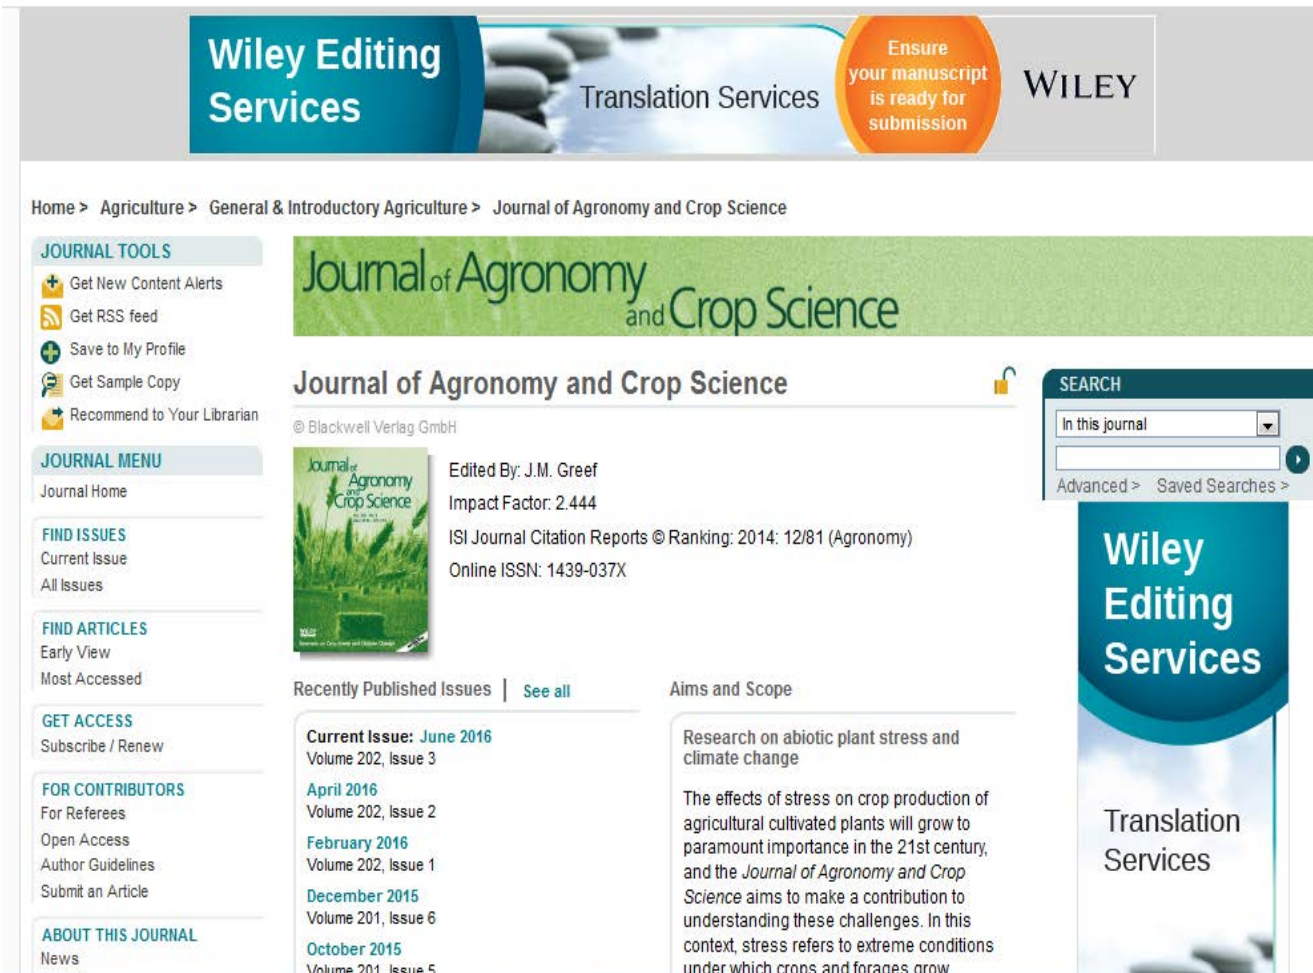

The screenshot shows the Crop Protection Compendium website. At the top, there is a navigation bar with links: Other CABI sites, Home, Overview, About, Help, Contact, Mobile, and a Sign out button. The main header features the CABI logo and the text "Crop Protection Compendium" with the tagline "The world's most comprehensive site for Crop Protection Information". A user login box indicates the user is signed in as "Gadjah Mada University" via IP Address. Below the header is a menu with links: Datasheets, Abstracts, Full Text, Library, Glossary, and More Resources. A search bar is present with the text "Search Crop Protection Compendium" and a "Smart searches" button. A "My CPC" button is also visible. The main content area displays "Crop Protection Compendium full text searches based on commonly researched topics" and a "Request a search" button. Below this, there are three columns of search results:

Analytical methods	Horticultural Crops - Pineapple	Non-infectious disorders
Fungal diseases of tomato	Horticultural Crops - Tomato	Pesticide residues and honey bees
Geographical distribution of Abutilon theophrasti	Horticultural Crops - Tropical fruit	Plant health diagnosis
Geographical distribution of Ceratitis capitata	Insect vectors of plant diseases	Plant quarantine
Horticultural Crops	Interception and quarantine of Bactrocera cucurbitae	Plant quarantine - pest risk assessment
Horticultural Crops - Allium	Invasive plants	Postharvest pests
Horticultural Crops - Apples	IRRI Rice Almanac	Safe movement of germplasm
Horticultural Crops - Avocado	Maize diseases and disorders	Taxonomy and nomenclature
Horticultural Crops - Brassica	New geographic records of Callidiellum rufipenne since 1 January 2000	Yield losses
Horticultural Crops - Organic culture	New geographic records of Tuta absoluta since 1 January 2006	

Crop Protection Compendium merupakan ensiklopedi yang menyatukan berbagai jenis informasi berbasis ilmu pengetahuan pada semua aspek perlindungan tanaman, seperti hama, penyakit, gulma, tanaman inang, dan musuh alami. Ensiklopedi dilengkapi dengan gambar, peta, data bibliografi, serta *datasheets* yang selalu diperbaharui.

Journal of Agronomy and Crop Science

The *Journal of Agronomy and Crop Science* menyediakan *original papers*, komunikasi singkat, dan *review* khusus pada tanaman abiotik. Topik meliputi: kekeringan, kendala kimia, suhu ekstrim, banjir dan tekanan oksidatif, salinitas, serta perubahan alkali.

Aims and Scope

Research on abiotic plant stress and climate change

The effects of stress on crop production of agricultural cultivated plants will grow to paramount importance in the 21st century, and the *Journal of Agronomy and Crop Science* aims to make a contribution to understanding these challenges. In this context, stress refers to extreme conditions under which crops and forages grow.

[Browse by JEL code](#)

The *American Journal of Agricultural Economics* provides a forum for creative and scholarly work on the economics of agriculture and food, natural resources and the environment, and rural and community development throughout the world. Papers should relate to one of these areas, should have a problem orientation, and should demonstrate originality and innovation in analysis, methods, or application.

The research and policy conversation starts at the AJAE.

A subscription to AJAE now includes a subscription to *Applied Economic Perspectives and Policy*.

What is AJAE? [Watch a video featuring AJAE authors](#) discuss the journal in their own words.

Authors' Perspectives: Watch AJAE authors discuss their recently published articles and the journal submission process.
